Dofasco Minor Hockey

Check out what your photos are going to look like this season!

*Your coaches will be providing you with further information regarding scheduling and shoot location. **Please be in full equipment and prepared to have your photo taken at your team's designated time and location.***

We're ALL ONLINE! See your player's proofs and SKIP the order form!

Here's how it works:

- 1** Players are to be in full equipment for their photo including skates and gloves but NO helmet.
- 2** Your player will be given a card to present to the photographer to have their photo taken.
- 3** Make sure you or your player retrieves the above mentioned card from the photographer once the photo has been taken.
- 4** **10-14 business days after the last shoot day for your league**, scan the QR code with your phone's camera, (or visit our website with your access code) to view, download your league product, and order any additional products you might like to purchase.
- 5** Be a team player! Even if you don't plan on purchasing photos, please make sure your player's photo is taken. A team photo just isn't a team photo without the whole team in it! We take individual photos only and then put them together later to look like they're standing there together.

Coaching staff is also photographed for the team photo.

This is similar to how your team photos will be assembled this season...
